Among Us is a space-themed 'social deduction game' where 4-10 players take on the guise of Crewmates, who must complete various tasks around their spaceship, while randomly selected Imposters must try their hardest to sabotage the others' efforts. The Imposters have to remain undetected through rounds of voting to win. While Among Us is a largely safe game, it's still prudent to be aware of any potential risks young ones might encounter when playing. Which devices Among Us is compatible with? "Among Us" is a multiplayer game available for Android and iOS mobile devices, Windows computers, and the Nintendo Switch. What should parents be concerned about Among Us? Talking to strangers in the game If your child is playing a game that is set to public, they may meet and chat with people they don't know which could put them at risk. Seeing inappropriate content Although you can use the censor filter to block out bad language, it does not block everything and there are words that are not picked up by the filter. So, despite this feature, there is the potential that children can be exposed to inappropriate content. Is Among Us is safe for kids? Among Us is an engaging and social game, and it can be a fun way for kids to connect with friends. The Apple Store suggests Among Us is appropriate for kids aged nine and up, due to infrequent cartoonish violence and horror themes. Luckily for iPhone and iPad users, it is possible to download Among Us for iOS for free, do you want to know how? So, you can enjoy with your friends this great 2020 phenomenon that, despite having been published a couple of years ago, is having its sweetest stage now. What's Among Us about? For the more clueless (although if you've arrived here looking to download the game you'll already have at least some idea). Among Us is a very simple 10-player multiplayer game, designed for all audiences. In the game, players appear on a ship in which there are two imposters, whose goal is to kill the others without being discovered and ejected into outer space. The crew members of the ship will have to perform tasks while discovering the impostor; if they complete all of them before being killed, they will win the game. If they find the two impostors and eject them from the ship, they will also win the game. How to download Among Us for iPhone / iPad (iOS) As we have already mentione, Among Us is completely free for iOS (although it contains paid content, such as skins). Join a spaceship's crew as they travel through space... and discover that a lethal intruder has snuck aboard, intent on destroying the entire crew! All the action in Among Us plays out on a spaceship made up of different units. Start a new game -either online or against the computer- and you'll be assigned the role of either crewmate or impostor, which is kept secret from the other players. If you're the impostor, your goal is to wipe out the entire crew by sneaking up to them and hitting the kill button. But if you're part of the crew, you'll have to avoid the impostor and try to figure out who it is... before it's too late! To do so, a chat room with all the players appears after all the action, where they can discuss who they suspect the impostor is based on what they've seen during the game, and hold a vote. Players can also interact with some objects in the ship's rooms during the game. Overall, Among Us is a great multiplayer game, whether you're playing with friends or other players from all over the world. Board the spaceship and feel the thrill of discovering the impostor in every game!
